

Machine grading of structural timber

Issued to

Setra Trävaror AB Hasselfors Sågverk

Edevägen 2, SE-695 60 Hasselfors, Sweden

Manufacturing site

Same as above.

Certificate

RISE (Research Institute of Sweden) hereby certifies that the manufacturer's in-house inspection has been assessed with respect to the requirements described in AS/NZ 4490:2011, AS/NZS 1748.1:2011 and AS/NZ 1748.2:2011 and found to fulfil the requirements.

Specifications

This certificate covers strength graded structural timber in grades MGP10 and MGP12 of wood species spruce (*Picea abies*), graded by the slope of grain combined with visual grading system.

Marking

The products which have been graded in accordance with the requirements stated in this certificate may be marked with the RISE certification mark showed below. The marking shall also fulfil the requirements of the standard AS/NZS 1748.1:2011.

Validity

This certificate is valid until not longer than 2027-06-19. The validity can be verified on the RISE website.

Miscellaneous

The manufacturer's in-house inspection is under surveillance by RISE in accordance with section 4 and 5 of SPCR 182. Other terms and conditions are set out in section 6 of SPCR 182.
